To Whom It May Concern,

The Embassy of Mexico in Sweden is pleased to express its recognition and support for TILO Music Lab – Mexico x Sweden, an initiative aimed at strengthening cultural exchange and artistic collaboration between Mexico and Sweden through music.

The Embassy recognizes TILO Music Lab as a meaningful platform for cultural dialogue and creative exchange between our two countries, particularly through its objective of bringing together Mexican artists with Swedish songwriters, music producers, and other creative professionals to foster artistic collaboration. Furthermore, the Embassy considers that TILO Music Lab – Mexico x Sweden has the potential to contribute to the creation of new and lasting cultural connections between Mexico and Sweden.

The Embassy also appreciates the project's efforts to present contemporary Mexican artistic voices and musical culture to audiences in Sweden. Initiatives of this kind contribute to increasing mutual understanding between our societies while providing new opportunities to showcase the diversity and dynamism of Mexico's contemporary cultural scene.

Sincerely,

Alejandro Alday
Ambassador of Mexico
